7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 TOBY MEAGHER,

11 Plaintiff,

12 v.

13 KING COUNTY, et al.,

14 Defendants.

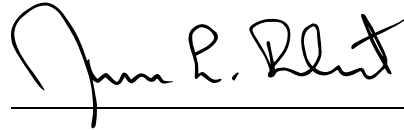

CASE NO. C19-0259JLR

ORDER DENYING
PROTECTIVE ORDER
WITHOUT PREJUDICE

15 Before the court is the parties' stipulated protective order. (*See* PO (Dkt. # 14).)
16 The parties have largely adopted the Western District of Washington's model stipulated
17 protective order. (*See* PO); *see also* Model Stipulated Protective Order, found at
18 <https://www.wawd.uscourts.gov/court-forms>. In so doing, however, the parties failed to
19 specify what material is considered "confidential" under their protective order, leaving
20 intact the model order's instruction that "[t]he parties must include a list of specific
21 documents" that are confidential. (*See* PO at 2.) The court therefore DENIES the
22 parties' stipulated protective order without prejudice to the parties refiling a stipulated

1 protective order that adequately specifies what material should be considered
2 confidential.
